

1-03-18
Council Chamber of Commerce
Meeting

12:00 noon:

Meeting was called to order by President Ron Hundahl. Seven members were present. (see notes)
No minutes were read.

Topic: Sally Cole spoke about the quilt show bank account and the benefits of having it continue to be managed by Council Chamber of Commerce.

Sally talked about the number of people that attend the event and the history of the relationship of the Quilters and the Chamber. Sally also explained that having a group other than the Quilters handle the funds and write checks takes the burden off her group.

As treasures, Rob and Connie agreed that the Chamber should continue to handle the quilt account. There were no objections.

Sally mentioned that she felt that the chamber had become rather invisible to the public.

Rob Fitch mentioned that we are working on improving the chambers communications. And possibly set up meet and greets with some politicians. And get out to have meetings with the members to see what they would like to see the chamber do. And discuss the best times and dates for holding the bi-monthly meetings.

Discussion was held on having a dinner and community presentation awards. Rob said that we could have the award presentations handed out at the Fireman's Ball. He had spoken with them and it was OK with them. Everyone felt that was a good idea.

Bert Abshire thought that we should put off our dinner until March. But the date of 1/27/18 was pretty much agreed to. With a 5 PM social and a 6 PM dinner. General thought was to do a small invitation potluck dinner where the chamber would provide a pork loin main course. Dinner would be small, by invitation and held at Legion Hall.
